

PHOTO BOOT CAMP

Paul's Photo's classes work! Over 250 students each month since 1988 can't be wrong! Learn to use your camera's modes and setting, gain confidence "making pictures" and jumpstart your creativity. Our proven methods will lead you step-by-step to understanding your camera, have greater success making the pictures you desire and have more fun taking and sharing your fantastic photographs. Photo Boot Camp and Understanding your Camera are designed for "beginning" photographers of all age, skill and interest levels! Digital Single Lens Reflex (SLR) or Digital Interchangeable Lens (DIL) camera required.

PHOTO BOOT CAMP is the ideal class to learn to how to work your interchangeable lens digital camera. You will learn to make the creative settings and think like a photographer. Six weeks will turn the snapshooter into a photographer or hone the skills of a seasoned shutterbug. The emphasis is on your camera technique, creativity and expression. Assignments will be given and critiqued. Students completing Photo Boot Camp are eligible to earn Creative Photo Academy Certification.
