Creative Light

Photography Workshops with Tash & Shelton

Film Noir Shoot. Friday, May 20. 7 to 10pm

Creative Flash Workshop. Saturday, May 21. 10am to 5pm

Those two crazy Aussie's are back!

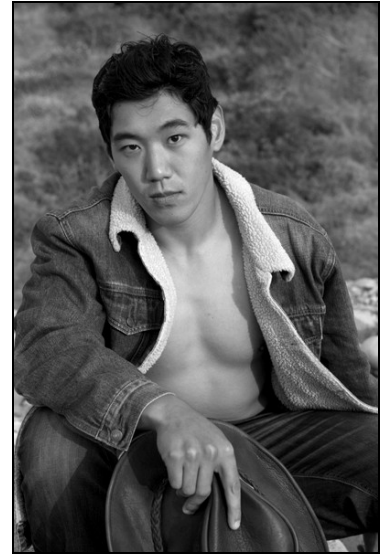

Natasha Humble and Shelton Muller's Creative Photo Workshops are Australia's best loved photo classes and workshops. Tash & Shelton bring professional photographic skill, easy to follow instructions, irreverent humour and a "crikey accent" to their workshops.

The Creative Light Workshop teaches you to utilize the power of light to make amazing pictures! Get the results you desire simply with our sure-fire secrets. Learn how to control the light, set the camera and pose the model effectively. Can I get pictures like that simply? Yes you can!

Friday evening's **Film Noir Shoot** will show you "how to" handle the light and pose the model on our Hollywood style set. Shoot along side the Pro's for real hands-on help and fun photography and create some AMAZING pictures! Learn to use "hot lights" to create amazing results simply and easily.

Saturday's all-day **Creative Flash Workshop** combines classroom learning and hands-on shooting experience. Tash & Shelton will teach you the secrets to getting great looking photos with their "what and why" of flash portraits. Our hands-on shooting session will have you capturing your own amazing photos by the end of the day. You will learn to use, control and create light with precision. You will gain experience handling your self, your camera and your subject with the guidance of the workshop staff. You will learn to LOVE using flash creatively!

Join us for two amazing days of learning photography and capturing amazing images and see how the folks from Down Under tackle tough lighting situations and produce great photos.
