

Teen Photo Camp

Holiday Edition

Paul's Photo is proud to present a great opportunity for learning and growth for our teen photographers. Photo Camp is perfect training for the young photographer, newspaper or yearbook shooter! Complex concepts are made easy and kid friendly with our hands-on "shooting" experience. Your child will learn to handle the camera, shoot amazing pictures and have fun doing it. Class includes your choice of three informative lessons which all include "real shooting" experience... Select one, two or all three. Digital SLR camera recommended 35mm or digital camera with lens choices (built-in zoom), shutter speed and aperture control required for attendance.

Tuesday, Dec 28. 2-4pm **Photographing Family & Friends Portrait Shoot**

Find the right light and "put the subject in it"

The right lens and composition makes all the difference

Make photos that are "personal" and tell a story thru posing and lighting

Choose the proper aperture and shutter speed to control focus and exposure

Wednesday, Dec 29. 2-4pm **Photographing Flowers & Details Macro Shoot**

Control the light, lens and background for close-up shooting

Add flash creatively to build a complete macro picture

Getting close enough to taste it... and share it with friends

Thursday, Dec 30. 5-7pm **Photographing After Dark "Night" Shoot**

Try some fun and creative effects for low-light photography

Shoot a new way, a new thought and produce amazing pictures after dark

Learn to manage ISO, white balance and exposure after the sun goes down

Join us on location for an exciting evening. Parents are welcome to "tag along"
