

# Photo Camp for Teens

July 19-23 or August 16-20, 2010. 3 to 5pm \$125

Paul's Photo is proud to present two week-long photography class designed especially for the budding middle school and high school photographer. Photo Camp is perfect training for the young photographer, newspaper or yearbook photographer! Complex concepts are made easy and kid friendly! Your child will learn to handle the camera, shoot amazing pictures and have fun doing it! Class includes four informative lessons and a field shooting experience! 35mm or digital camera with lens choices (built-in zoom or interchangeable lenses), shutter speed and aperture control required for attendance.

**Monday. The Camera Basics**

- Holding the camera properly
- Use of F-stop and shutter speed creatively
- Getting the "right light" every time

**Tuesday. Photographing Family and Friends**

- Finding the right light
- Make photos that are "up close and personal"
- The right lens and composition makes all the difference!

**Wednesday. Grabbing the Action**

- Holding the camera properly
- Use of F-stop and shutter speed creatively
- Getting the "right light" every time

**Thursday. Field Shooting Experience!**

- Afternoon shooting experience at one local "spot"
- Drop-off and pick up location to be determined
- Parents are welcome to join us for the afternoon

**Friday. Telling a Story with Your Pictures**

- Develop an idea and capture the pictures
- Use dynamic composition for the ideal effects
- Take the "National Geographic" approach to your photography.
